

## 2. DO YOU DELIVERY SUSHI?

---

Sorry, DelSushi Irvine no longer provides free delivery service. There are delivery companies in the area such as Postmates.com and Doordash that you can use, but Delsushi is not associated with these companies and certain fees may apply. You can still order by phone (949-324-7171) and pick-up at our UTC location. Sorry for any inconvenience!
