

## 2. DO YOU DELIVERY SUSHI?

---

There are delivery companies in the area such as [Ubereats.com](https://www.ubereats.com), [Postmates.com](https://www.postmates.com) and [Doordash](https://www.doordash.com) that you can use, but Delsushi is not associated with these companies and certain fees may apply. You can still order by phone (858-202-1333) and pick-up at our location. Sorry for any inconvenience!
